

Blackboard: RedShelf LTI 1.3 Tool Configuration for LMS Administrators at Independent Campuses

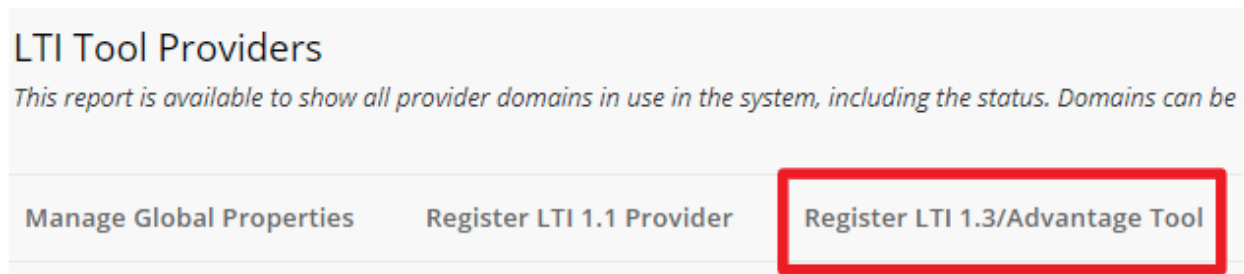

This configuration information is intended for Blackboard LMS Administrators.

Please use the following configuration information to create the RedShelf LTI 1.3 Tool in your Blackboard environment.

1. Navigate to the System Admin area for your Blackboard environment, then select LTI Tool Providers.

2. Select Register LTI 1.3/Advantage Tool.

3. Enter the following information, then select Submit.

- **Client ID:** bf0a576c-eb4d-4ab8-8b68-54fe33dbbbe5

ENTER CLIENT ID

Client ID

bf0a576c-eb4d-4ab8-8b68-54fe33dbbbe5

Type the Client ID for the tool you'd like to add.

12. Select Submit. This places a link to the selected location into your LMS course.

13. Provide the **Deployment ID** to your RedShelf account representative. They will enable your RedShelf LTI 1.3 Tool link.

Once LTI 1.3 is enabled by your RedShelf account representative...

14. Click the [RedShelf Course Materials](#) link to ensure your LTI 1.3 Tool has been configured correctly.

NOTE: Your screen may have the red message in the screenshot below. This is expected behavior, and does not mean your LTI Tool is misconfigured.
